Subject: Pigs eye park concert

Message: I'm sending you this information that josh, j lillenquist and james cowen jr with rappers exit fame and nicky gracious and few others we're down at pigsaw park during the day, having a concert with the stage, speakers, microphones tents and everything set up without a permit or permission to do so. And I would like to send you the photos that I have. I would like to be anonymous, if possible thank you. I don't appreciate the way they push. And degrade the people down at the camp. I believe they should just leave them alone. And stop interfering.
